

NOTICE

All the I/II semester, IV semester B.Tech, M.Tech (II Sem) students of the academic year 2019-2020 are informed to note that as notified earlier the sessional examinations will commence from 27th October 2020 followed by the End Examinations as per the time table. Copies of time table are available on College Website and the Facility to download the Hall Tickets from the Official Website is made available. The examinations will be held at G. Pulla Reddy Engineering College, Kurnool in Offline (Pen and Paper based) mode only.

Students are required to note that the Conduct of examinations is mandatory. All the Universities in the State have scheduled their regular examinations from last week of October and GPREC is not an exception.

Following Covid- 19 protocols, the Examinations are being conducted in a phased manner. VIII semester examinations were successfully conducted during September 2020. All the supplementary examinations scheduled till date were conducted smoothly.

To avoid overcrowding, the examinations are being held in a staggered manner in two sessions. IV semester examinations are scheduled during the Forenoon Session and I/II semester examinations during the Afternoon Session. B. Tech-VI semester examinations are likely to commence from 2nd week of November 2020, the schedule of which will be notified at a later date.

COVID – 19 Safety Measures at GPREC

- All the students will be subjected to thermal scanning at all the entry points.
- Hand Sanitizers will be provided at different locations on the campus.
- Number of Candidates allotted to each exam hall is limited to only 50% of the hall capacity.
- All the examination halls will be sanitized on daily basis.
- Candidates without face masks will NOT be permitted to write the examination.
- A separate examination hall will be provided to the Candidates with Covid-19 symptoms. Such Candidates are required to declare their condition to the college authorities in advance.
- Staff will be deployed on the campus to ensure discipline and observance to distancing norms and other preventive measures.

All Possible precautionary measures are being taken on the campus. Candidates are instructed to be responsible and strictly adhere to COVID-19 safety protocols in their Own and Public interest.
