Dear Students,

Internshala - India's largest internship platform has launched the third edition of '**Internships for 1st Year Students**'.

1st-year students who would like to earn a cool stipend of minimum Rs. 20,000 during their internship tenure can apply to these handpicked work-from-home internships in non-technical profiles like Digital Marketing, Social Media Marketing, Content Writing, etc.

Steps to register and apply for internships -

- Visit [internshala.com/i/1st-year](https://internshala.com/i/1st-year) and register yourself
- View the internships listed and submit your applications

**Deadline to register and apply is 5th April 2019. There are no registration charges involved.**

The employer will get in touch with the shortlisted applicants by 25th April 2019.
