

Greetings from APSSDC-SIEMENS Project!!!

Andhra Pradesh State Skill Development Corporation (APSSDC) is happy to inform that, six weeks/eight weeks Student Internship Program (SIP) which is meant for imparting industry-oriented job skills to the Mechanical, Electrical (EEE), Instrumentation and Electronics (ECE) 2<sup>nd</sup>, 3<sup>rd</sup> & 4<sup>th</sup> year completed Engineering students from 06-05-2019 at APSSDC-SIEMENS Centre of Excellences, AU COE-Visakhapatnam, JNTUK COE-Kakinada, VRSE COE-Vijayawada, VVIT COE-Guntur, JNTUA COE-Ananthapur and SVU COE-Tirupati for the following courses.

- **Computer Aided Design (CAD)**
- **Computer Aided Engineering (CAE)/LMS**
- **Product Lifecycle Management (PLM)**
- **CNC Programming and Machining**
- **Digital Manufacturing and Industrial Robotics**
- **Industrial Automation**
- **Electrical and Energy Studies**
- **Mechatronics & Process Instrumentation**

It is requested the college authorities to give wide publicity among the students of MECH, EEE, EIE & ECE branches. Interested students may visit the website to know the various courses offering at different COE's and enroll with their particulars in the website [www.apssdc-siemens.in](http://www.apssdc-siemens.in)

Selected students will be informed through mail and they have to pay a nominal course fee of Rs.3000/- for six weeks program and Rs 4000/- for eight weeks program on the day of admission.

The prescribed timings of courses are from 9am to 5pm (lunch break- 1pm to 2pm).

Selected students must attend for all working days without any leaves or deviation of timings.

At the end of each level of the course assessment test will be conducted. Qualified students will be awarded with a globally valid APSSDC-SIEMENS Certificate for each level.

For any clarifications you are free to contact
